Supplemental Type Certificate

**Number** SR02249LA

This Certificate issued to Van Horn Aviation, L.L.C.
1510 W. Drake Drive
Tempe, AZ 85283
certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 27 of the Federal Aviation Regulations (See Page 3)

Original Product Type Certificate Number: *

Make: *

Model: *

* See attached FAA Approved Model List (AML) No. SR02249LA for list of approved airplane models

Description of Type Design Change: Installation, maintenance and operation of replacement tail rotor blades in accordance with Van Horn Aviation, L.L.C. Master Document Lists, and Instructions for Continued Airworthiness as appears on AML SR02249LA dated May 19, 2010, or later FAA Approved Revision.

Limitations and Conditions: The installation should not be incorporated in any aircraft unless it is determined that the interrelationship between this installation and any previously approved configuration will not introduce any adverse effect upon the airworthiness of the aircraft. The approval of this modification applies to the above noted helicopter models only. A copy of this STC must be included in the permanent records of the modified aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

NOTE: Noise characteristics: This installation has been determined not to increase the noise level and is not considered an “acoustical change” as defined in Part 21.93(b), Amend. 21-77 of the Federal Aviation Regulations.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: January 21, 2008
Date of issuance: August 7, 2009
Date reissued: February 19, 2010

Date amended: February 8, 2010; June 4, 2010
June 7, 2011; December 15, 2011

By direction of the Administrator
