

BELL 505 INTERIOR UPGRADE

PREMIUM FEATURES BRING AN UPSCALE PERSONAL TOUCH TO YOUR AIRCRAFT

The Aeronautical Accessories brand is now offering an alternative to the stock interior of a Bell 505. This new interior, available on new aircraft as well as to the aftermarket, offers upgrades to various key cabin and cockpit components. The interior kit is available in a variety of colors and textures including black leather, gray leather, tan leather, and carbon fiber (available on select components).

Key Components

- Crew Door Trim
- Clamshell Trim
- Backwall Trim
- Centerpost Trim

Optional Kits

- Reading Lights
- Console/Cabinet

Color Options

- Black
- Gray
- Tan
- Carbon Fiber*

*on select components
